We offer Canadian Immigration & Placement Services

# Choosing AukSun To Make Canada, Your New Homeland

O Canada!  
Our home and native land,  
Charter'd and free!

*We welcome you to Canada – the land of exciting discoveries. A country that wants every one to be proud of their origin. Canada has a long tradition of welcoming immigrants. We receive over 200,000 immigrations per year!*

In most of the last decade, Canada is ranked by United Nation Human Development index as the best country in the world to live in. Canadians enjoy a comfortable standard of living, good health care, social security, a high level of education and a relatively safe and clean environment.

**Canada**

Canada provides numerous opportunities for economic development, prosperity, business growth, entrepreneurship and invention. The Charter of Rights and Freedoms entrenched in the Constitution of Canadian guarantees such fundamental right as equality, mobility and right as well as freedom of speech, assembly and association.

Canada is blessed with variety of seasons, weather and scenic beauty. It has abundance of resources, mountainous regions, lakes and rivers flowing through most of its cities. All cities have numerous recreation areas, parks, sports and activities to enjoy with family and friends. When people become Canadian Citizens they are not asked to give up their previous culture or heritage. However they are expected to adapt Canadian values, law and public behavior.

Canada will be your new homeland offering both opportunities and challenges. Moving to Canada involves a planned and well-thought approach. AukSun Consultants prepares you for that.

We offer our services in your settlement planning before and after you land in Canada. *We provide online coaching, advice and training of mind-set, with information on settling-in, job opportunities, businesses, travel planning and more. Our advice helps new comers to Canada in taking well-informed decisions and avoiding unforeseen pitfalls in starting a new life in Canada.*

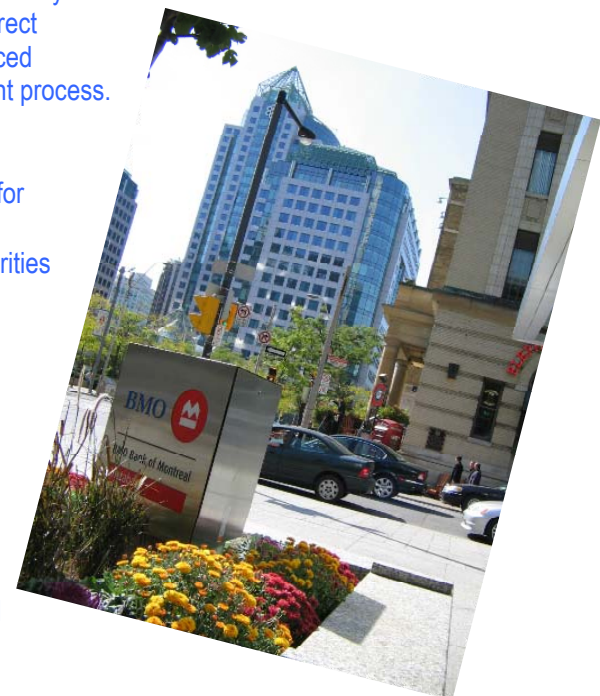

AukSun Consultants ensure that after your arrival, you are properly looked after and assisted in your early, safe and smooth settlement, free from costly pitfalls and indecision. Our services and guidance offered to you can help you plan better and save your hard earned funds from depleting uselessly.

Before landing in Canada, we will conduct detailed sessions with you to understand your lifestyle and assist your settlement in an effective timely manner. You will receive direct communication from our experienced associates regarding the settlement process.
